

# LEADERSHIP VENTURES

One Goal. The Common Good.

Leadership Ventures will launch its first Executive Director Venture Group in October. These monthly-facilitated leadership development groups for ten to twelve nonprofit CEO's will meet for ten consecutive months. Participants will set both personal and professional goals, work with the facilitator on a one-page business plan and hold each other accountable for monthly progress.

For more information on participating in Executive Director Venture Groups, please e-mail [Ruthie@LeadershipVentures.org](mailto:Ruthie@LeadershipVentures.org)
